

## FIVE OF CLUBS STAGE RALLY CHAMPIONSHIP

The promoters of the Five of Clubs Rally Championship, Solway Car Club, confirm that the championship will be rested for the 2017 season.

Special thanks are given to all championship sponsors and participating competitors both past and present for their support, as well as the events which have formed part of the championship since its reformation in 2006.

Solway Car Club, winners of MSA Club of the Year 2014, will continue to promote the [www.usedcarparts.co.uk](http://www.usedcarparts.co.uk) Solway Coast and Armstrong Galloway Hills rallies in August and September respectively, and will endeavour to relaunch the Five of Clubs at some point in the future. The evolving nature of the sport and the availability of rallies that 'fit the concept' have all been contributory factors in this decision and the views of all parties will be canvassed for the future of this Championship.
