

1. AGE RESTRICTION

New and unforeseen restrictions have been placed on our use of Dundrennan Range by the MOD.

These mean, that no person under the age of 16 is allowed on this MOD area, whether that be to Compete or Marshal.

Therefore, it is with regret, that no person under the age of 16 will be authorised to Compete or Marshal on the 2021 Solway Coast TARGA.

We have attempted to renegotiate this change to our annually-renewed MOD Licence, with no success.

Solway Car Club Ltd are fortunate to have a strong, on-going relationship with the Military and the staff at the Dundrennan Base, which allows the Club access to this secure venue for various events. We have welcomed many Junior (14-16 year old) competitors to our Solway Car Club Tarmac Autotests over the years, and of course, the 'Solway Coast Junior Rally' was a huge success, and welcomed 98 different 14-17 year old Drivers when it was held annually between 2012-2018.

We sincerely hope that these new restrictions can be relaxed in the future, and we can return to the same set-up as before, to help bring on the next generation of competitors.

To clarify, all Entrants on the 2021 Solway Coast TARGA must be **16 years old, or older.**
